

Active Ingredients

Citronella oil, Eucalyptus oil, Peppermint oil.

Product Features

- Effective up to 12 hours, non-toxic and DEET-free for adults and children over 3 years of age.
- Easy peel and non-residual patch for indoor and outdoor use.
- Peel and stick patch onto desired places other than skin. Patches can be applied onto clothing, furniture, tent, baby stroller or any areas that needs protection.

Warnings

- Non-residual patch is non-marking to most surfaces. Do not apply on silk, wool or leather material as glue might leave a stain.
- Keep out of reach of children.
- Do not apply directly onto skin.
- External use only.
- Wash hands thoroughly after use.
- Avoid contact with eyes or mouth, if contact occurs, rinse immediately with water.
- Do no swallow.
- If irritation occurs, please stop using this product and consult a medical professional if necessary.
- Not for children under the age of 3.
- Store in dry, cool place and away from direct sunlight or heat source.
- If pregnant, please consult your doctor before use.

Directions

Open the bag and peel the patch from the sheet. Paste it on your clothes, desk, bed, tent or anywhere you like other than your skin.

NOTE: Use patches soon after opening for best results.
